Recognizing June Homeownership Month...

Kansas Housing Helps First-Time Homebuyer Celebrate Achieving “The Dream”

Newton – In honor of National Homeownership Month, on Wednesday June 28th at 5pm, Kansas Housing Resources Corporation (KHRC) will help first-time homebuyers Lana & Gregory Schneider celebrate entry into the homeownership market. KHRC will host a dedication event at the Schneider’s newly purchased home in Newton, Kansas. The Schneider family achieved the American Dream of homeownership on October 24, 2016 thanks in part to down payment assistance made possible from the First Time Homebuyer Program.

Helping the Schneiders celebrate on Wednesday will include officials from Kansas Housing Resources Corporation, Mayor Barth Hague of Newton, the Newton Chamber of commerce, as well as local real estate and mortgage lending professionals.
