

# Welcome to Procorem

Moving the Kansas Tax Credit & HOME Programs into the  
21<sup>st</sup> Century

# A few things before we get started...

Certificates will not be provided for this webinar.

Annual Report Question: Any training you received in 2014/2015 where you received a certificate. Elizabeth Moreland's class should be up and running in 2016.

We have your audio turned off so all questions will need to be typed and submitted using the Q & A window. Please locate the Q & A window in the bottom right corner of your screen.

Questions can be submitted at any point during the webinar. Only I can see your questions and I may stop and answer your question right then or hold it until the end.

If you "raise your hand" during the webinar, you will be ignored because again, the audio is turned off.

# A few things before we get started...

What is your experience with Procorem?

- a. Just started using.
- b. Have used but limited exposure.
- c. Have been using it from the beginning.

# What is Procorem?

Procorem is a 21<sup>st</sup> century web design that allows owner/agents to input a variety of data and files into a completely electronic system.

Procorem is attached to ProLink, the backend office that KHRC will use to evaluate data input in 2015 and forwarded and use for allocations applications starting in 2017.

KHRC will test allocation in 2016 with three applications.

# Why ProLink and Procorem

KHRC has to move into the 21 Century

Support Harmonization

Less onsite time

Less intrusive on tenants and you

Easier retrieval of demographic data

Historical record of all transactions

Record of notifications (Both ways)

Record of data input (Both ways)

Support of Application Process for Tax Credits

Long term cost savings for all

Environmentally friendly

# ***WorkCenter Assignments***

# Adding and Deleting WorkCenter Users

KHRC has taken away the ability of Owner/Agents to assign users

If you need somebody assigned or removed from a WorkCenter  
send us

-Name

-Email Address

-Owner/Agent or Owner/Agent Site

If using a generic email address we need to know whose name it  
was tied to before

Procorem assigns an email address to the property

# WorkCenter Owner

KHRC and ProLink people only

## Contributor

Owner/agents-may still be a few out there  
We need to know so we can change

## Owner-Agent or Owner-Agent Site

Only assignment now to owner/agents  
Data input, no deletions

### Procorem Personal

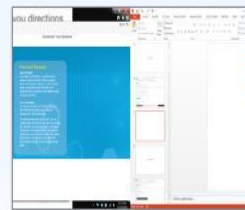

#### Life's Problem

Your data is everywhere. It sprawls across printed records in doctor's offices, property deeds and insurance policies in safety deposit boxes, investment reports filed with your financial advisor, payment confirmations stored in email, and more.

#### You + Procorem

You deserve to have a tool with institutional-grade privacy, transparency, and organization.

Procorem provides just such a tool to create private WorkCenters for your life, and store your personal documents. Collaborate with family members by granting access to WorkCenters. Everything in your life can be organized and stored in one place.

### Share your screenshots in a snap

Whenever you take a screenshot, we'll save it to your Dropbox.

Or use **CTRL + PRINT SCREEN** to take a screenshot and copy a link to your clipboard so you can quickly share it.

# Recertification Information Not Brought Forward

Total Household Income

Rental Assistance Amount

Rental Assistance Type

Utility Allowance

Full Time Student Exception if needed

Special Needs if needed

No Income or Asset Information

**Owner/Agents need to fill out all this information**

# Recertification Annual HH Updates

Process the same way as a recertification

Owner/Agents need to fill out all this information

But

You can consolidate all income into one line

Example

\$12,000 in SS income

\$500 in asset income

Becomes

\$12,500 in total income or other

If you are using State Form 18 there is no need to break it down since the tenant may not be giving you that information

# Import from a NAHMA XML File

## Kansas Housing Resources Corporation

### Import Tenant Events

Clicking the Upload button below will upload the file(s) that you have selected to import. Please note that any data previously imported for the selected compliance period will be **permanently deleted**.

You can import data for the selected compliance period as many times as necessary - the data will be **replaced** each time so as not to create duplicate information.

If the Status of the selected compliance period is **Finalized** you will not be able to Import Tenant events.

If you receive errors that a tenant event cannot be matched to a unit/building/property please create a Post on this WorkCenter to request that your unit/building/property data be updated.

# We Need Your help

The plan to upload data and information is going to take time:

KHRC is going to upload or has uploaded the following between 4-8 January 2016

LURAs-Must be registered

IDIS completion dates

8609s-must be signed and elections made

Evaluation Sheet

Building Election sheet

Current Waivers and Requests

Open 8823s from last three year

**We ask for your help in getting updated plans and procedures**

KHRC will not upload previous inspections and annual reports, we will maintain a paper copy in storage

# Evaluation Questions

1. I would recommend attending this webinar to others: Agree or Disagree
2. The content covered was easy to follow: Agree or Disagree
3. The content covered will be useful to me in the future: Agree or disagree
4. I prefer the following type of training: Webinar or classroom setting
5. The presenter's pace was: Too fast, too slow, just right

# Thank you for completing the evaluation

Additional comments and suggestions may be submitted to KHRC by using the Q & A window.

The slides from this webinar (including the answer slides) are posted to the KHRC website [www.kshousingcorp.org](http://www.kshousingcorp.org)

We will keep this webinar open for an additional 15 minutes. Please use the Q&A box for your questions.

We will answer all questions in Q&A format in late December
