

*We help Kansans access the safe, affordable housing they need and the dignity they deserve.*

## UNLOCKING HOME

The security that comes from stable housing sends a ripple through communities. A house can change a neighborhood, a neighborhood can change a community, and a strong community can change anything.

KHRC serves those who are helping to end the housing issues facing Kansas. As a self-supporting, non-profit, public corporation, we collaborate with the housing industry, community partners, and advocates to remove barriers, open doors, and unlock home for Kansans.
