

# KANSAS HOUSING

---

## Additional Housing Resources

If your household is ineligible to receive [Kansas Homeowner Assistance Fund \(KHAF\)](#) assistance, or you need additional housing assistance, follow the links below to connect with these resources.

[United Way 2-1-1 of Kansas](#): Use this directory, or dial 211 on your cellphone, to find local resources in your area that address hunger, utility assistance, housing concerns, and more.

[Kansas Emergency Water Assistance](#): Find out if your household qualifies and apply to have your water service restored or prevented from disconnection.

[Low-Income Energy Assistance \(LIEAP\)](#): Find out if your household qualifies and apply for financial assistance with home energy costs.

[HUD Housing Counseling Agencies](#): Certified housing counselors can discuss options if you're having trouble paying your mortgage or managing your reverse mortgage.

[Weatherization Assistance Program](#): Income-eligible homeowners and renters can apply through their region's provider to receive weatherization services and lower utility bills.

[Kansas Community Action Agencies](#): These agencies aim to reduce poverty, revitalize low-income communities, and empower low-income families and individuals to become fully self-sufficient. Find the agency that serves your county here.

[Emergency Service Providers](#): If you or your family are experiencing homelessness or domestic violence, find your nearest shelter and service provider from this list.

[Affordable Housing Resources](#): Access a list of KHRC's affordable properties, search the HUD Resource Locator, or file a tenant complaint.

[Tenant Based Rental Assistance \(TBRA\)](#): Find your county's grantee from the list at the bottom of the page to learn about eligibility guidelines and apply for assistance with rent payments, security deposits, and/or utility deposits.

If you have questions about why your household does not meet KHAF eligibility guidelines, contact [khaf@kshousingcorp.org](mailto:khaf@kshousingcorp.org)
