services last year

## **THE HOUSING THEY NEED. THE DIGNITY THEY DESERVE.**

The Emergency Solutions Grant (ESG) provides funding to a network of service providers who assist Kansans experiencing homelessness or at risk of becoming homeless. Funding is used to help homeless individuals and families, improve the number and quality of emergency shelters, support operation of shelters, provide essential services to shelter residents, rapidly re-house homeless individuals and families, and prevent homelessness.

# ESG Funds are used by service organizations for:

## STREET OUTREACH

Meeting individuals where they are at. Providing essential medical and mental health services, transportation, and case management.

126 households served

=10 households

## SHELTER

Safety for those who need it most. Providing child care, education services, job placement, substance abuse treatment, and legal services.

8 emergency shelters funded

12 domestic violence shelters funded

350 beds provided, 2,295 Kansans served

=10 beds provided

## RAPID RE-HOUSING

Unlocking home for Kansas. Providing short-term rental assistance, moving costs, safety deposits, and utility assistance.

698 Kansans served

=10 Kansans

## PREVENTION

The best way to address homelessness in Kansas is to prevent it altogether.

327 households received services to prevent homelessness

=10 households

## EMERGENCY SOLUTIONS GRANT

(ESG) services are accessed through homeless service organizations in participating cities and counties.

## IF YOU ARE IN NEED OF EMERGENCY HOUSING:

Please visit our website for a list of service partners currently serving your area.

## IF YOUR ORGANIZATION SEEKS FUNDING THROUGH THE ESG PROGRAM:

Emergency Solutions Grant (ESG) funds are made available to local governments and nonprofit agencies through an annual competitive application process.
