Kansas Homeowner Assistance Fund (KHAF) Application Checklist

This document is designed to help you determine if the Kansas Homeowner Assistance Fund (KHAF) program may be able to assist you, and if so, what documentation you will need to upload during the application process.

Please note:

- Only one application per homeowner/household. If an applicant was previously denied for not having a past due mortgage or property tax and the applicant is now over 30-days past due, please call the KHAF Call Center at 800-752-4422 to request your application be reopened for consideration due to new delinquency.
- Past due utility assistance is secondary to mortgage and property tax assistance. KHAF applicants should assure payment arrangements are made directly with the utility service provider until KHAF approval or denial is determined to maintain service.
- Non-Conforming Loans are not eligible for KHAF assistance. The unpaid balance of which was, at the time of origination, not more than the [conforming loan limit](#).

*Check the box below that accurately defines your situation
One of these choices are required to be eligible for KHAF*

- I am currently 30-days past due or greater on my mortgage payments (mortgage reinstatement)
- I am currently 30-days past due or greater on my property taxes, homeowner insurance, and/or homeowner/condo association fees (property charges)

If you qualify for one or more of the above situations, you may request past due Utility and non-bundled Internet / Broadband expenses. Monthly Forward Mortgage Payment Assistance may be requested if you are requesting mortgage reinstatement. After application approval, additional forward mortgage payments cannot be requested.

Before applying you should gather the required documentation

Below is a list of documents applicants can provide to satisfy the documentation requirements for the KHAF program.
