

Proximity to Amenities

To meet the Proximity to Amenities requirement, as specified on pages 24-26 of the QAP, please submit a PDF of the Google Map that displays the driving distance from the proposed development to the amenity. The starting location must be the **same** for all maps.

By meeting this requirement, applicants can receive up to 20 points.

Please be sure the map states the distance in miles from the proposed development to the amenity and is labeled either Primary or Secondary. Please submit a map for each amenity that you would like scored.

As detailed in the QAP, applicants may need to submit up to 13 maps, 3 for the primary amenities and up to 10 for the secondary amenities.

For questions or clarifications, please contact housingdevelopment@kshousingcorp.org
