Section VI: PERFORMANCE OUTCOME MEASURES

The U. S. Department of Housing and Urban Development (HUD) is instituting performance measures to gather information to determine the effectiveness of programs funded with CDBG, ESG, HOME and HOPWA. Information obtained on the local level will be reported to HUD which will enable HUD to describe performance results at the National Level. HUD's outcome performance measurement system has three objectives and three outcomes which are listed below.

1. Select one of the following that best fits your project objective:
 - Suitable living environment
 - Decent affordable housing
 - Creating economic opportunity

2. Select at least one of the following that describes the outcome your project will achieve: (NOTE: Outcomes show how programs benefit a community or people served.)
 - Availability/Accessibility (Applies to activities that make services, infrastructure, housing, shelter, or employment opportunities available or accessible to low-income persons by improving or providing new services, etc.)
 - Affordability (This applies to making an activity more affordable for low-income persons.)
 - Sustainability (Using ESG resources in a targeted area to help make that area more viable/livable.)

3. Please describe the process to establish and select the above objectives and outcomes.

ANTICIPATED PROJECT OUTCOMES

The chart below describes two significant outcome(s) for each activity funded by ESG. These outcomes will apply to all projects funded for the 2024 ESG period.

SECTION X: PERFORMANCE OUTCOMES Written Standards for Provision of ESG Assistance

1. Standard policies and procedures for evaluating individuals' and families' eligibility for assistance under Emergency Solutions Grant (ESG). The policies and procedures must be consistent with the recordkeeping requirements and definitions of "homeless" and "at-risk of homelessness" in the federal ESG regulations at: 24 CFR 576.2 and 24 CFR 576.500 (b-e).
2. Standards for targeting and providing essential services related to street outreach.
3. Policies and procedures for admission, diversion, referral, and discharge by emergency shelters assisted under ESG, including standards regarding length of stay, if any, and safeguards to meet the safety and shelter needs of special populations, (*e.g.*, victims of domestic violence, dating violence, sexual assault, and stalking; and individuals and families who have the highest barriers to housing and are likely to be homeless the longest).
4. Policies and procedures for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to emergency shelter.
5. Policies and procedures for coordination among emergency shelter providers, essential services providers, homelessness prevention, and rapid re-housing assistance providers; other homeless assistance providers; and mainstream service and housing providers. The required coordination may be done over an area covered by the Continuum of Care or a larger area.
6. Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid re-housing assistance. For homeless prevention, include the risk factors used to determine who would be most in need of this assistance to avoid becoming homeless.
7. Standards for determining what percentage or amount (if any) of rent and utilities costs each program participant must pay while receiving homelessness prevention or rapid re-housing assistance. If the assistance will be based on a percentage of the participant's income, specify this percentage, and how income will be calculated.
8. Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time. One-year lease required for project-based assistance. Annual participant evaluations required with rapid re-housing assistance; three-month evaluations required with homeless prevention assistance. Individual assistance cannot exceed 24 months in a three-year period.
9. Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide to a program participant, including the limits, if any, on the homelessness prevention or rapid re-housing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program

participant may receive assistance, or the maximum number of times the program participant may receive assistance. Note: ESG regulations limit this assistance to no more than 24 months in a three-year period. Housing stability case management is limited as specified on pp. 75979-80 of the [federal regulations](#).

10. *Participation in HMIS*. The recipient must ensure that data on all persons served and all activities assisted under ESG are entered into the applicable community-wide HMIS in the area in which those persons and activities are located, or a comparable database, in accordance with HUD's standards on participation, data collection, and reporting under a local HMIS.

Please certify the ESG funded agencies will establish applicable Written Standards for ESG.
