

## PROGRAM ELIGIBILITY

You must meet all these requirements to be eligible to receive Weatherization Assistance:

1. You and your household must occupy the home that you are applying to receive assistance with through this Program. All utilities including electric and gas service must be present and active.
2. Your house cannot be designated for acquisition or clearance by a federal, state or local program within 12 months from the date weatherization would be scheduled to be completed.
3. If your house has been weatherized before by a federal, state, or local weatherization program,
  - a. Your house is disqualified if Weatherization took place in the past 15 years, unless the house has been damaged by fire, flood, or act of God and repair of the damage to weatherization materials was not covered by insurance.
  - b. If you received weatherization assistance longer than 15 years ago, you may be eligible to receive further assistance, but we will be unable to repeat weatherization measures previously performed.
4. Your household income meets the requirements specified in the Kansas Housing Resources Corporation State Plan. Specifically, your household must either:
  - a. Contain a member that has received either Temporary Assistance for Families (TAF) payments under Title VI-A, Supplemental Security Income (SSI) payments, or assistance from the Low-Income Energy Assistance Program within the last 12 months.
  - b. In total, does not exceed the following maximum income levels based upon household size.

Family Size	Maximum Income for Weatherization (200% of FPL)	Family Size	Maximum Income for Weatherization (200% of FPL)
1	\$30,120	9	\$116,200
2	\$40,880	10	\$126,960
3	\$51,640	11	\$137,720
4	\$62,400	12	\$148,480
5	\$73,160	13	\$159,240
6	\$83,920	14	\$170,000
7	\$94,680	15	\$180,760
8	\$105,440	16	\$191,520

### Home Condition Eligibility

Along with you being eligible for Weatherization services, your home must also be eligible. Staff is authorized to postpone or deny services to homes/units under these circumstances:

#### Health & Safety:

1. Unsanitary conditions where health of staff/contractor(s) would be placed in jeopardy
2. Threat of violence or personal safety of contractor(s) is in question
3. Household member has a health condition which could be aggravated by weatherization
4. Mold is found or excessive moisture conditions are present
5. Source pollutants are found which would be aggravated by weatherization (i.e., moisture, friable asbestos, or radon)

#### Effectiveness:

1. Remodeling or rehabilitation is planned or in progress
2. Condition of dwelling is too degraded for weatherization to be effective (i.e., major roof, foundation, or structural issues)
3. Home is condemned or scheduled for demolition
4. Client does not cooperate with weatherization personnel and either refuses entry, inspection, or measures selected by audit
