

SECTION 3 ACKNOWLEDGMENT

Section 3 is a provision of the Housing and Urban Development Act of 1968 that promotes local economic development and individual self-sufficiency for projects funded by the U.S. Department of Housing and Urban Development (HUD).

Section 3 requires that, to the greatest extent possible, economic opportunities that are generated by the use of federal funds be made available to low-income persons, particularly those who receive federal financial assistance for housing and those residing in communities where the financial assistance is expended. Section 3 established benchmark goals of 25 percent of total labor hours worked by Section 3 Workers, and 5 percent of total labor hours worked by Targeted Section 3 Workers, as those terms are defined in Kansas Housing Resources Corporation's Section 3 Compliance Plan (the 'Plan').
