

# *Proximity to Amenities*

---

To meet the Proximity to Amenities requirement, as specified in QAP Section VII(F), please submit a PDF of the Google Map that displays the driving distance from the proposed development to the amenity along with the Proximity to Amenities Coversheet. The starting location must be the **same** for all maps.

By meeting this requirement, applicants can receive up to 20 points.

Please be sure the map states the distance in miles from the proposed development to the amenity and is labeled either Primary or Secondary. Please submit a map for each amenity that you would like scored.

As detailed in the QAP, applicants may need to submit up to 13 maps, 3 for the primary amenities and up to 10 for the secondary amenities.

For questions or clarifications, please contact [housingdevelopment@kshousingcorp.org](mailto:housingdevelopment@kshousingcorp.org)

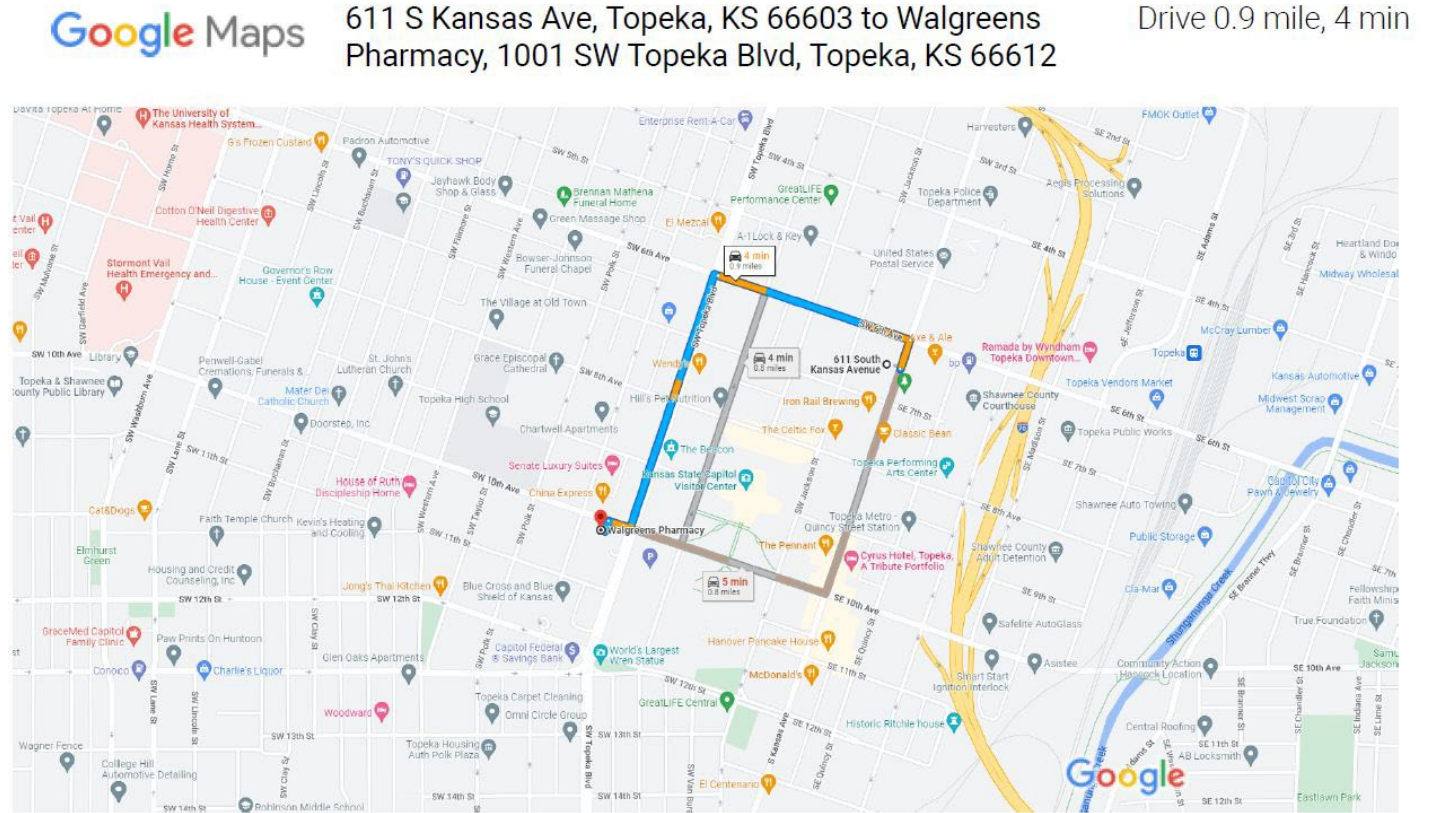

# Proximity to Amenities – Primary

Provide a map of each primary amenity.

Up to three (3) Primary Maps:

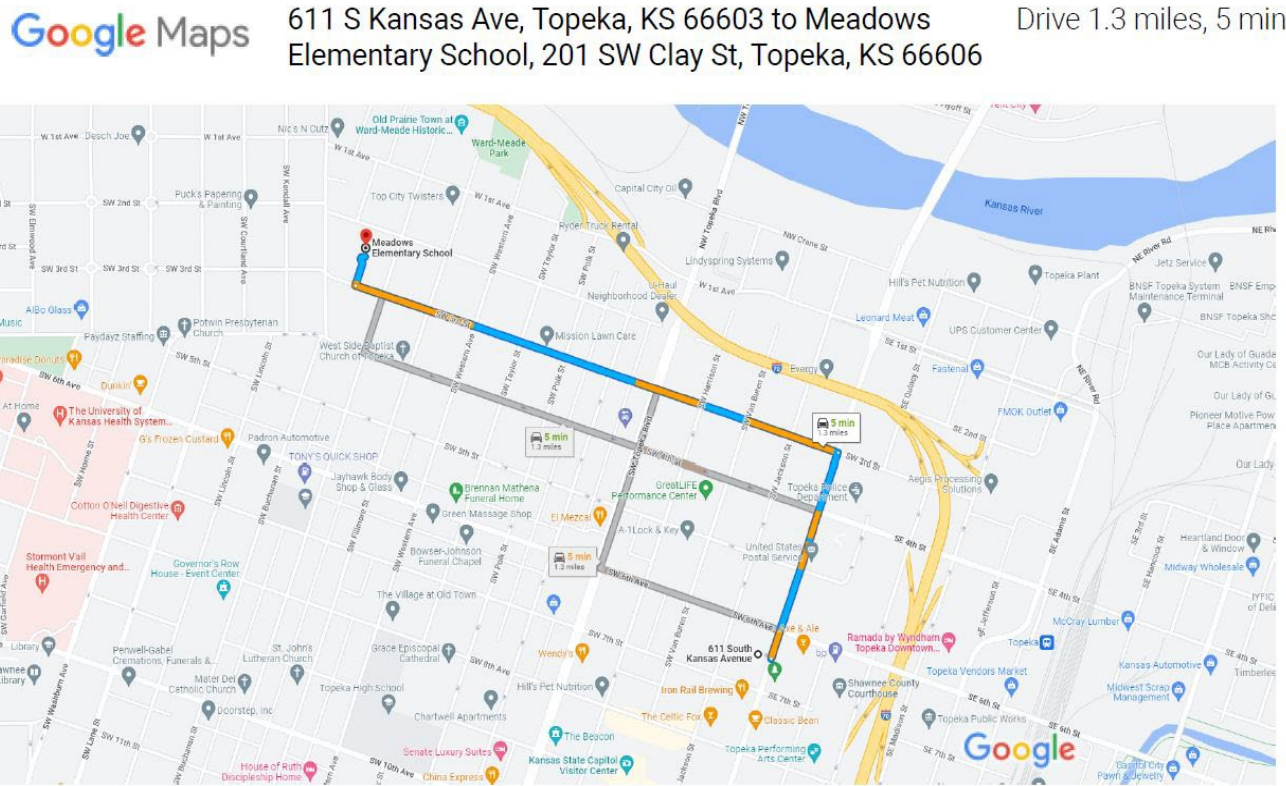

- 1.) Grocery,
- 2.) Shopping,
- 3.) Pharmacy.

# Proximity to Amenities – Secondary

Provide individual maps for each secondary amenity.  
(Max 10 points)

Secondary Map Possibilities are listed in the QAP on pg. 26.

# Proximity to Amenities Coversheet

Provide a completed coversheet for both Primary and Secondary point submissions, specifying which amenity/map is associated with which category.
