CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The State continues to focus CDBG resources on public water/wastewater infrastructure, community public facilities, housing, and economic development with the express purpose of assisting businesses with job creation. In addition, we have small set-asides for urgent need and downtown commercial rehabilitation projects. The State is on target to obligate all FY24 CDBG funds to local governments carrying out these activities.

The HOME Program served 39 households with their First Time Homebuyer Program, TBRA served 755 households, and the Rental Program developed 10 newly constructed units. Housing Trust Fund (HTF) completed 16 new construction and 19 rehabilitated units.

The HOPWA Program provided housing assistance to 208 clients. The program helped 55 of these clients transition from homelessness into secure housing. Overall, the program reached 290 different individuals, including the family members of the clients who Kansas Care Through Housing (KCTH) served. The HOPWA Program provided supportive services to 594 individuals, which included 431 clients and their family members. The supportive services are crucial to clients outside of just housing assistance, as many areas around the state lack the necessary resources to provide these services.

In 2024, ESG funding was provided to eleven (11) emergency shelters and ten (10) emergency shelters for victims of domestic violence. The overnight emergency shelters served 1,688 households consisting of 2,315 persons. ESG funding was provided for two day shelters that served 251 households consisting of 300 persons. In total, the emergency shelters funded by ESG served 2,615 persons. Street outreach projects assisted a total of 361 households consisting of 373 persons. Rapid Rehousing projects served 194 households consisting of 322 persons. Homeless Prevention projects served 106 households consisting of 264 households.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The State continues to focus CDBG resources on public water/wastewater infrastructure, community public facilities, downtown commercial rehabilitation, housing rehabilitation and economic development with the express purpose of assisting businesses with job creation. In addition, we have small set-asides for Urgent Need. The State is on target to obligate all FY24 CDBG funds to local governments carrying out these activities.

CDBG accomplishment data in the charts is based on the units completed between 1/1/24 and 12/31/24. The reported unit numbers include the total units for the projects created with these funds as reflected in our 2024-2028 Consolidated Plan and 2024 Action Plan explanations. Due to reporting on projects completed in IDIS during the previously mentioned time period, the expected number populated in the charts below conflicts with the actual number reported and incorrectly gives the impression that we did not meet some of our one-year strategic plan goals.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

91.520(a)

	CDBG	HOME	HTF	HOPWA
White	197,463	642	126	25
Black or African American	11,698	126	81	8
Asian	1,472	19	1	0
American Indian or American Native	9,281	10	0	1
Native Hawaiian or Other Pacific Islander	550	7	0	1
Total	220,464	804	208	35
Hispanic	111,717	88	23	4
Not Hispanic	108,747	716	185	31

Describe the clients assisted (including the racial and/or ethnicity of clients assisted with ESG)

	HESG
American Indian, Alaska Native, or Indigenous	90
Asian or Asian American	11
Black, African American, or African	624
Hispanic/Latina/e/o	112
Middle Eastern or North African	0
Native Hawaiian or Pacific Islander	27
White	2,147
Multiracial	448
Client doesn't know	0
Client prefers not to answer	26
Data not collected	74
Total	3,559

Table 2 – Table of assistance to racial and ethnic populations by source of funds

Narrative

Due to information missing and / or refusal to supply the above information, some of the numbers may not add correctly. Additionally when gathering information, the additional category of "Multi-Racial" is included but not accounted for in the table above for reporting.

CR-15 - Resources and Investments 91.520(a)

Identify the resources made available

Source of Funds	Source	Resources Made Available	Amount Expended During Program Year
CDBG	public - federal	14,786,581	12,659,755
HOME	public - federal	5,871,509	7,908,975
HOPWA	public - federal	800,244	775,000
ESG	public - federal	1,645,105	1,603,092
HTF	public - federal	3,144,833	5,280,000

Table 3 - Resources Made Available

Narrative

Please note that the Resources Made Available above may not include other funding years that may have been carried forward.

Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description

Table 4 – Identify the geographic distribution and location of investments

Narrative

These programs are intended to assist on a statewide basis, so there are no designated target areas.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The HOME program granted \$819,391 to 39 first-time homebuyers, which leveraged \$4,697,965 in private mortgage funds. Rental development expended \$2,000,000 in HOME and \$5,280,000 in HTF, together leveraging \$80,862,542. The HOME program raised \$945,059 in non-federal matching funds.

Below under HOME Match, the reporting year is the Federal Fiscal Year 2024. Therefore, the timeframe is 10/01/2023 to 09/30/2024, which is different from the CAPER reporting period of 01/01/2024 to 12/31/2024.

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal fiscal year	15,917,967
2. Match contributed during current Federal fiscal year	945,059
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	16,863,026
4. Match liability for current Federal fiscal year	1,351,117
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	15,511,909

Table 5 – Fiscal Year Summary - HOME Match Report

Match Contribution for the Federal Fiscal Year								
Project No. or Other ID	Date of Contribution	Cash (non-Federal sources)	Foregone Taxes, Fees, Charges	Appraised Land/Real Property	Required Infrastructure	Site Preparation, Construction Materials, Donated labor	Bond Financing	Total Match
22151	02/20/2024	0	339,640	0	0	0	0	339,640
22178	07/02/2024	0	537,934	0	0	0	0	537,934

Relocation and Real Property Acquisition – Indicate the number of persons displaced, the cost of relocation payments, the number of parcels acquired, and the cost of acquisition						
Parcels Acquired		2		246,092		
Businesses Displaced		0		0		
Nonprofit Organizations Displaced		0		0		
Households Temporarily Relocated, not Displaced		0		0		
Households Displaced	Total	Minority Property Enterprises				White Non-Hispanic
		Alaskan Native or American Indian	Asian or Pacific Islander	Black Non-Hispanic	Hispanic	
Number	0	0	0	0	0	0
Cost	0	0	0	0	0	0

Table 10 – Relocation and Real Property Acquisition

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	200	206
Number of Non-Homeless households to be provided affordable housing units	392	633
Number of Special-Needs households to be provided affordable housing units	100	148
Total	692	987

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	618	755
Number of households supported through The Production of New Units	39	26
Number of households supported through Rehab of Existing Units	35	19
Number of households supported through Acquisition of Existing Units	34	39
Total	726	839

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The above numbers mostly exceeded set goals. There was less new unit production and acquisition/rehab of rental units. TBRA served more with rental assistance than expected. Acquisition of existing units represents those served in the First Time Homebuyer Program, meeting the set goal.

Two factors impacted the Acquisition of Existing Units, the First Time Homebuyer Program. Earlier in Consolidated Plan reporting, there was a tight housing market and sellers were not considering extra

contingencies on home contracts for purchase. Currently, a shortage in available housing, high prices, and high-interest rates keep participation in this program low.

Rental rehabilitation is on target for production over the 5 year plan period although it fell short in the current year.

TBRA program was consistent in meeting and exceeding the annual goal and 5-year plan goal.

Discuss how these outcomes will impact future annual action plans.

When developing the next 5 Year Consolidated Plan, goals reported in the current plan will be reviewed. The production of rental units may need to be reduced and TBRA may need to be increased, depending upon funding. The FTHB number served is closer to the updated goal.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual	HTF Actual
Extremely Low-income	0	664	35
Low-income	75	96	
Moderate-income	78	44	
Total	153	804	

Table 13 – Number of Households Served

Narrative Information

Same as in previous year reports, extremely low-income households are the highest-served population in the HOME Program (primarily in TBRA) and the National Housing Trust Fund.

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

The Kansas Balance of State Continuum of Care implemented a coordinated entry process to connect persons experiencing homelessness to needed resources. The goal for the implementation of the coordinated entry system in the BoS CoC was to establish a BoS CoC wide approach to match individuals and families experiencing homelessness with services and housing to reduce the number of persons experiencing homelessness in the BoS CoC. A Coordinated Entry Committee was developed to oversee the CES, develop policies and procedures for implementation of a BoS CoC wide system and to develop training and guidance document. Regional Coordinated Entry Teams were established in each of the BoS CoC regions. The Regional Coordinated Entry Teams review a Master list of clients that have been prioritized for their respective regions. The prioritization of all people is based on a common assessment, the Vulnerability Index – Service Prioritization Decision Assistance Tool (VI-SPDAT). All regions of the Balance of State CoC utilize this tool for the Coordinated Entry assessment.

Addressing the emergency shelter and transitional housing needs of homeless persons

In 2024, ESG funding was provided to eleven (11) emergency shelters and ten(10) emergency shelters for victims of domestic violence. The overnight emergency shelters served 1,688 households consisting of 2,315 persons. ESG funding was provided for two day shelters that served 251 households consisting of 300 persons. In total, the emergency shelters funded by ESG served 2,615 persons. Street outreach projects assisted a total of 361 households consisting of 373 persons. Rapid Rehousing projects served 194 households consisting of 322 persons. Homeless Prevention projects served 106 households consisting of 264 households.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

KDADS Boundary Spanners: KDADS has now funded 3 Crisis Housing Boundary Spanners covering 103 counties across the state with negotiations beginning in the last 2 counties. 219 individuals with serious mental illness and/or co-occurring impairments were referred to the KDADS Crisis Housing/Boundary Spanner in efforts to combat Homelessness.

Expanded KDADS staffing: Kansas Department for Aging and Disability Services (KDADS) expanded its staff in the form of a Housing First Project Coordinator, Olmstead Navigators, Destination HOME Program Manager (hired by the Kansas Statewide Homeless Coalition). These additional positions will provide crucially needed help to further and execute existing initiatives across the state.

CCBHC Initiation: The transition of the state’s Community Mental Health system to the Certified Community Behavioral Health Clinic (CCBHC) operational model will significantly enhance the state’s mental health care system. Implementing this transition has been a significant undertaking and accomplishment on behalf of KDADS, the state of Kansas, and the network of CMHC’s.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

	<u>Number of Units</u>
<u>Number of Beds – Rehabbed</u>	<u>1</u>
<u>Number of Beds – Conversion</u>	<u>0</u>
<u>Total Number of bed-nights available</u>	<u>238,710</u>
<u>Total Number of bed-night provided</u>	<u>142,350</u>
<u>Capacity Utilization</u>	<u>25%</u>

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

As the state housing finance agency, KHRC does not manage or oversee funds to any of the Public Housing Authorities throughout the state. We will continue to work with the Public Housing Authorities to house Kansas's low-income households to the extent that our HOME Funds allow.

In 2024, KHRC continued to administer the Project Based Contract Administration (PBCA) contract for the State of Kansas. As the PBCA, our organization administers the Housing Assistance Payment (HAP) contract for the 229 HUD properties and 11,120 units in our portfolio. HUD elected to extend the Annual Contributions Contract (ACC) with KHRC beginning February 1, 2025, and ending on January 31, 2026. The current ACC provides HUD the option to renew the ACC in 6-month increments until January 31st, 2028.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

In 2024, a database of e-mail addresses was developed from HUD's list of PHAs for the state of Kansas. A first-time homebuyer flyer has been sent to the PHAs annually, requesting they post in a public place for their tenant's information.

Actions taken to provide assistance to troubled PHAs

KHRC does not own or operate assisted housing units directly. For those PBCA properties within our portfolio, KHRC's Contract Administration division acts as a liaison between the residents and management companies. As a liaison KHRC staff encourages communication between all interested parties to ensure that resident input is considered and access to management is improved.

KHRC reached out to the Public and Indian Housing division at the Kansas City Kansas HUD office to request their distressed property list in 2024.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

KHRC supports applications for funding that demonstrate state and local support of projects through waiver of fees, exemption of sales and property taxes, and consideration of zoning or planning flexibility to accommodate needed affordable housing development. Developers are encouraged to pursue sources of eligible match from these contributions. KHRC continues to rely on the 2021 statewide housing needs assessment when housing developing strategies and programs. KHRC will look to augment the 2021 document by obtaining a limited scope statewide housing needs update.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

KHRC prioritizes, through scoring incentives, applications for funding that target underserved needs including very low and extremely low income households, households with special needs including disabilities, the creation of units to serve homeless individuals and families, and the development of affordable housing in rural areas where rates of poverty and substandard housing are higher. Application scoring also reflect priorities for development activities that preserve existing affordable housing, and that effectively leverage funding with other sources such as LIHTC. KHRC directs approximately 35-40% of its HOME allocation to Tenant Based Rental Assistance programs which primarily serve very low income and extremely low income households; with priority for those that serve higher numbers of homeless or special needs families and individuals.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

KHRC and the CDBG program have Lead Based Paint Policies and Procedures for rehabilitation activities, consistent with enforcing the HUD Lead Safe Housing Rule at 24 CFR Part 35, and the State of Kansas Lead-Based Paint Renovation, Repair and Painting Rule which is administered by the Kansas Department of Health and Environment. Additionally, KHRC's Weatherization Program follows Lead Based Paint Policies and Procedures.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The State of Kansas has a range of anti-poverty and jobs programs administered by state agencies other than those contributing to the Consolidated Plan. Housing development and CDBG programs create and support employment opportunities related to those activities, and indirectly relieve the financial stress on low income families by providing safe, affordable and energy efficient housing. KHRC also receives Community Services Block Grant funds for the eight statewide Community Action Agencies. These agencies prioritize the prevention of poverty and work to address its root causes in communities.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The Kansas Department of Commerce, Kansas Department of Health and Environment, and Kansas Housing Resources Corporation partner with various state and federal agencies to collectively meet the needs of eligible communities and households in the State of Kansas. KHRC also holds an annual housing conference with many sessions to develop capacity.

Commerce, Kansas Housing, USDA Rural Development, and Federal Home Loan Bank meet with communities to discuss their interest in housing programs.

Additionally, Rural Prosperity Grants 101 workshops have been held across the state in the past few years. Presentations from Commerce, KHRC, Rural Development, and Kansas Statewide Homeless Coalition present to community stakeholders to inform them of the programs offered.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

KHRC has extensive mailing and email contact lists for housing developers, management companies, nonprofit housing and social service entities, Community Housing Development Organizations, Community Action agencies, and local government entities. KHRC sponsors a housing search website, and contracts with a housing counseling agency for landlord and tenant counseling, as well as sponsoring an annual statewide housing conference. Additionally, the State of Kansas issued 17 Certifications of Consistency with the Kansas Consolidated Plan in 2024.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Owners and managers of properties funded by KHRC are required to submit an AFFHM plan for projects of five or more units. The plans are reviewed during periodic monitoring, including an accounting of Fair Housing activities and requests for modifications or accommodations. Where potentially underserved populations exist due to language barriers, management must account for marketing efforts. Fair Housing is included in ongoing training for property managers and frequently as part of the annual state housing conference sponsored by KHRC. The Fair Housing Tracking Sheet for 2024 is in the attachments.

In response to the analysis of impediments to fair housing choice, the HOPWA Program re-printed a brochure showing that underreporting of violations is largely due to a lack of education. One hundred brochures were distributed throughout the State to clients through Ryan White medical case managers. The brochure, "Questions and Answers About The Fair Housing Act" identifies violations clients might encounter and provides information on how to report violations.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

KHRC's Housing Compliance Division performs compliance monitoring of HOME and NHTF rental projects. Compliance staff reviewed and satisfactorily closed 117 HOME and 20 NHTF annual reports. One HOME report was not received, and a non-compliance notice was issued. The reports covered the 2023 calendar year and were submitted and reviewed by KHRC during 2024. The reports include a State owner's certification of continued program compliance, identification of board members (when applicable), utility allowance calculations with proof of methodology, the Affirmative Fair Housing Marketing Plan (when applicable), financial statements (when required), along with tenant qualification information (i.e., household income and student status). KHRC reviews current rent amounts charged immediately following the publication of the income and rent limits each year. Additionally, KHRC requests information on proposed rent increases to determine if they are reasonable and compliant with the newly published limits. The Housing Compliance webpage of KHRC's website underwent changes in 2024. The webpage is formatted so that program forms and reference resources can be located easier.

KHRC's Community Solution Division has HOME-funded TBRA, FTHB, and the ESG Program. FTHB is reviewed for compliance to set underwriting standards before funding each closing and TBRA subrecipients are scored with a risk analysis tool and then are monitored for programmatic compliance and fiscal soundness annually. The ESG program has performed a risk assessment for all grantees and monitor programmatically and fiscally. KHRC has developed performance standards for all ESG subrecipient agencies. The subrecipients report on their outcomes toward these standards annually. The standards measure the percentage of clients who have exited an emergency shelter to permanent housing or another destination, percentage of clients connected to housing or essential services through street outreach, and the percentage of clients assisted with accessing or maintaining permanent housing with homeless prevention or rapid rehousing funds. ESG subrecipient agencies are required to participate in the Continuum of Care planning meetings. ESG subrecipients are required to enter client-level data into the COC designated HMIS or HMIS comparable database and are required to participate in the Coordinated entry system.

The Kansas Department of Health and Environment (KDHE) continually monitors Kansas Care Through Housing (KCTH) through monthly financial data, including reimbursement spreadsheets, quarterly reports and yearly reports.

On-site monitoring occurs annually. The goal of this formal annual compliance review is to ensure compliance with and provide technical assistance relating to federal regulations, state policies and program procedures. During this visit, the following records are reviewed:

- Agency and Program Policies and Procedures

- Financial Records and financial policies/procedures
- Employee Time Sheets
- Client Files
- Client surveys, grievances, or other feedback documentation
- Past Monitoring Reports
- Any other records as requested

KDHE's monitoring consists of three parts: Pre-Visit, Site Visit, Final Review Results. HOPWA continued in text added.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

The Kansas Housing Resources Corporation (KHRC) published a public notice in the Kansas Register on February 20, 2025. The public notice stated that the Annual Performance Report on the Kansas Consolidated Plan for the program year 2023 was available for the required 15 days of public review and comment from March 10, 2025, through March 25, 2025. The public notice indicated that the Annual Performance Report was available upon request from the KHRC. The notice and the entire Annual Performance Report were also made available on the KHRC website during the comment period.

Issue 08 - 02-20-2025 | Kansas Housing Resources Corporation | Notice of 2024 Annual Performance Report on the Kansas Consolidated Plan - 52885

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The program remained consistent with the previous year as we continue to focus on improving the use of CDBG funds by defining key project parameters: a) maximizing leverage, b) ensuring long-term sustainability, and c) maximizing impact by clearly identifying the problem and implementing the most effective solution. The only changes made are in the categorical allocations, which are determined by public hearings and program demand.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 24 CFR 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in 24 CFR §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

The attached chart includes all projects inspected as required based upon the schedule in 24 CFR §92.504(d). All inspections of HOME and NHTF rental projects were completed as planned and most grants have satisfactory compliance. The results of the physical inspections and tenant file audits for each are provided on the attached chart.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 24 CFR 91.520(e) and 24 CFR 92.351(a)

Each property monitored by KHRC's Housing Compliance Division must provide information detailing what fair housing initiatives were conducted during the year and any upcoming activities that are planned. The attached chart outlines those initiatives and notes what impediment to fair housing it addresses.

The 2024 Kansas Housing Conference included two fair housing trainings. One session titled "Fundamentals of Fair Housing" covered fair housing basics and the protected classes. The other session specifically covered requests for reasonable accommodations and modifications.

KHRC hosted two fair housing webinars free of charge during fair housing month in 2024. The first webinar brought in 523 attendees and the second webinar had 498. Due to such great success, KHRC has planned two again in April 2025 that will also be free to our housing partners.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

Kansas Housing Resources received a total of \$82,658 in program income. The allowable 10% was set aside for administration, or \$8,266. The remaining was committed under the first 2024 activity of TBRA. In 2024, of the 755 served in TBRA, 663 were 0-30% of median income, 86 were 31-50%, and 6 were 51-60% of median income. 47 were chronically homeless, homeless families were 76 and homeless individuals were 83. Overall 148 households were considered special needs.

**Describe other actions taken to foster and maintain affordable housing. 24 CFR 91.220(k)
(STATES ONLY: Including the coordination of LIHTC with the development of affordable
housing). 24 CFR 91.320(j)**

Regarding governmental cooperation, KHRC has taken actions to coordinate all housing-related programs. The Low Income Housing Tax Credit (LIHTC) program has been coordinated with the HOME Investment Partnerships (HOME) program, the Weatherization program, the national Housing Trust Fund, and U.S.D.A. Rural Development housing programs. The Community Services Block Grant (CSBG) program has addressed the needs of poverty households through Community Action Agencies, many of which have been Community Housing Development Organizations (CHDOs) and/or homeless prevention service providers via the Emergency Solutions Grant (ESG) program. The KHRC distributed information on lead-based paint hazards and mandated lead abatement in all of its housing programs. LIHTC developments also utilize other financing to foster affordable housing in the state including Historic Tax Credits and Federal Home Loan Bank resources.

KHRC created the Moderate Income Housing (MIH) Program in 2012 after the Kansas Legislature passed a bill which provided \$2 million to the State Housing Trust Fund (SHTF) for the purpose of administering and supporting housing programs. KHRC has received \$2 million each year, and in 2022 KHRC received a groundbreaking \$60 million. The MIH awards, which come in the form of grants and/or loans, include the development of multi-family rental units, single-family for-purchase homes, and water, sewer and street extensions. Some awards also provide funds to finance construction costs, rehabilitate unsafe or dilapidated housing, and offer down payment and closing cost assistance to homebuyers. Infrastructure improvements will allow for the development of housing that is being financed by the private sector. In 2024, there were 37 housing projects funded across the state.

CR-55 - HOPWA 91.520(e)

Identify the number of individuals assisted and the types of assistance provided

Table for report on the one-year goals for the number of households provided housing through the use of HOPWA activities for: short-term rent, mortgage, and utility assistance payments to prevent homelessness of the individual or family; tenant-based rental assistance; and units provided in housing facilities developed, leased, or operated with HOPWA funds.

Number of Households Served Through:	One-year Goal	Actual
Short-term rent, mortgage, and utility assistance to prevent homelessness of the individual or family	90	137
Tenant-based rental assistance	30	34
Units provided in permanent housing facilities developed, leased, or operated with HOPWA funds	0	0
Units provided in transitional short-term housing facilities developed, leased, or operated with HOPWA funds	30	0

Table 14 – HOPWA Number of Households Served

Narrative

The HOPWA Program provided housing assistance to a total of 208 clients. Many of these clients accessed more than one service. The program had 34 clients who accessed the TBRA/LT program for 2024. Long term assistance had the same amount of clients as the previous year as more clients needed to access short term due to limited income.

The average subsidy for clients in long-term (TBRA) assistance was \$451.00 per month. Clients on average had around \$820.00 a month in income as clients average was under the SS amount and 66 clients had zero income. By the end of 2024, the HOPWA Program had 19 out of a possible 34 clients in the TBRA/LT program.

One hundred and thirty-seven clients accessed the Short-Term Rent, Mortgage and Utility program (STRMU), with 71 clients accessing deposit assistance and 55 clients accessing transitional/homeless prevention assistance. Fourteen clients accessed moving assistance and five accessed emergency hotel assistance.

Utility requests went down to 120 in 2024. The average though for each bill was around \$233. We are working with clients to look at other resources. We will encourage and help clients complete LIEAP

applications.

Fifty-three clients who accessed STRMU services in 2024 accessed short term in the previous year and thirty five clients accessed short term in 2024 accessed the program two year prior. Short term continues to be a struggle for stability. We are seeing a large increase from the previous years to almost double the amount per year.

The HOPWA long term program had 34 clients in 2024. We are looking at trying to increase long term assistance. The biggest obstacle is the lack of consistent income for clients to be able to pay a subsidy. We have seen a lot more clients not be able to have stable income.

Long Term assistance has been around the same amount of clients over the last couple of years due to income instability. With higher subsidies we have been covering the long term funding has been utilized more but not as many clients are accessing the program. We are continuing to look at providing 25 to 30 clients a month in the long term program. Depending on income and stability we hope to have closer to 60 to 70 clients in 2025.

Short term assistance has taken on a lot of clients over the past couple of years. With higher rental costs and very limited income we have been providing closer to the full amount of short term for many clients. With the lack of stable income and lack of resources short term will continue to see a lot of client need and longer rental and utility assistance.

Supportive services continue to be needed for many clients. We have started reducing food pantry amounts as more areas in the state have access to food pantries or receive additional funding to support their pantries. Transportation will continue to be the largest need for supportive services as travel continues to get higher for the providers who transport clients and more need for reimbursements for clients who travel to medical and service appointments.

The HOPWA program will continue to look at the core housing services to add more funding to them. Long Term and Short Term assistance will continue to see a great deal of need and more transitional housing will continue to be necessary. With many housing programs seeing wait lists over 3 years more funds will need to be accessed for long term assistance.

HOPWA provides resource assistance to clients who need additional services such as utility assistance, rental assistance, counseling, transportation, and food pantry providers as well as information for housing authority and low-income housing. The HOPWA program provided over 600 information contacts and referrals to clients. HOPWA will continue to look at more resources around the state.

CR-56 - HTF 91.520(h)

Describe the extent to which the grantee complied with its approved HTF allocation plan and the requirements of 24 CFR part 93.

A formal system was used to evaluate, select, and fund applications for deferred loans. The selection criteria were designed to facilitate an objective assessment of need for the proposed housing, the applicant's capacity to develop and manage affordable housing, and the specific characteristics of the proposed activity (including but not limited to location and site planning, building design and construction, affordability, cost reasonableness, and financial sustainability). The application was posted on the website www.kshousingcorp.org.

KHRC did not distribute HTF funds through local jurisdiction subgrantees, but made funding available statewide through a competitive application process to eligible recipients whose applications addressed the criteria outlined in the allocation plan as well as priority housing needs as identified in the state's Consolidated Plan.

HTF funds were offered as a loan, with payments deferred for the duration of the statutory affordability period, provided the activity is completed per the written agreement, and remains compliant with the terms of both the statute and written agreement for the duration of that affordability period.

Eligible activities under Housing Trust Fund (HTF) were acquisition and/or rehabilitation of existing rental housing and new construction of rental housing. In compliance with 24CFR Part 93, HTF-assisted rental units will be subject to rent and income restrictions contained in that statute for a minimum of 30 years.

KHRC provided HTF funding to rental development activities which supported the objectives of the HTF program to provide affordable housing to extremely-low-income households by expanding and maintaining the supply of decent, safe, sanitary, accessible, and affordable rental housing and leveraging private sector participation.

KHRC did not allocate HTF funds for eligible operating cost assistance and reserves in accordance with 24 CFR 93.201(e) but retains the option to do so with future allocations.

Tenure Type	0 – 30% AMI	0% of 30+ to poverty line (when poverty line is higher than 30% AMI)	% of the higher of 30+ AMI or poverty line to 50% AMI	Total Occupied Units	Units Completed, Not Occupied	Total Completed Units

				Located on our on-site community bulletin board (located in our clubhouse) we have posted a list of community resources to help maintain independent living. Fair housing information signs posted throughout the interior of our clubhouse. We also handed out fair housing pamphlets as april is fair housing month, we encourage our residents to meet their activities of daily living by providing them with the information they need for reasonable accommodations/modifications. We have online advertisement with multiple sources that are able to reach vulnerable communities including with limited English proficiency, as well as providing fair housing information. We also have a link to FHCO on the HUD.gov website at the bottom of our community website. We continue to contact Catholic Charities, Lake Mary, Salvation Army, and Housing Authority to make ensure we are reaching out to those most in need to reduce local impediments to fair housing. 2024 Consolidated Annual Performance Report (CAPER)

Comments and Responses

Comment: Include maps showing funding distribution by census tract or target areas to demonstrate resource allocation, particularly including rural areas would help assess whether historically redlined or rural communities are receiving their fair share of investments.

Response: Thank you for your comment and suggestion. While the Consolidated Plan framework does not provide maps when compiling information for the CAPER, the Kansas Department of Commerce does offer the Transparency Database for awards made through the State's CDBG Small Cities program. The Transparency Database is available at kansascommerce.gov. If a mapping feature becomes available from HUD, it will be included in the CAPER.

The Community Development Block Grant (CDBG) program operates under three national objectives: benefiting low- to moderate-income (LMI) individuals, preventing or eliminating slums or blight, and addressing urgent community needs. The majority of CDBG funding must support projects that benefit LMI communities, ensuring that resources are allocated to areas with the greatest economic need.

Comment: The economic development section indicates that no jobs were created under CDBG in 2024 despite a goal of 275 jobs. Given the need for a workforce to support housing rehabilitation efforts, this could represent an opportunity to provide training that can create sustainable jobs for low-income workers leading into high-demand jobs in the construction and trades fields.

Response: Thank you for your comment. The Economic Development grants under the Kansas Small Cities CDBG program were newly awarded in 2024, and job creation data from grantees is not yet available. As the projects progress, we anticipate receiving more accurate employment figures.

The statement regarding workforce development to support housing rehabilitation efforts highlights an important need in the construction and trades industries. The Kansas CDBG program integrates workforce development with housing rehabilitation through initiatives like the Youth Job Training (YJT) grant, aligning with your recommendation to connect workforce efforts at the community level.

Section 3 of the HUD Act mandates that HUD-funded public construction projects over \$200,000 prioritize employment and contracting opportunities for low- and very low-income individuals, and while the Kansas Department of Commerce's housing rehabilitation program is not subject to these requirements, it remains committed to workforce development in construction and trades.

Comment: The home rehabilitation programs have only 18% of the CDBG housing rehab goal completed. Presenting opportunities for community-led workforce development projects is an opportunity to connect LMI residents to home repair needs that reduce energy consumption and utility bills for LMI residents: while creating a pathway to trades careers.

Response: Thank you for your comment. The CAPER provides a snapshot of progress toward meeting the goals outlined in the five-year Consolidated Plan. The current data reflects only a portion of the overall housing rehabilitation goals, and the completion percentage represents the status at this point in time.

Comment: collaborating with community-based organizations serving BIPOC households to meaningfully improve outreach strategies and connect workforce development to housing rehab at the community level would ensure that housing and workforce programs effectively reach historically excluded groups.

Response: The Kansas CDBG program connects workforce development to housing rehabilitation through initiatives like the Youth Job Training (YJT) grant, which aligns with your suggestion of linking workforce efforts at the community level. This program is marketed statewide, excluding Kansas City, Wichita, Lawrence, Topeka, Leavenworth, and Johnson County (entitlement communities), but has been underutilized so far. While we collaborate with Community-Based Organizations (CBOs) serving socially and economically disadvantaged communities, we do not provide grants directly to these organizations. We look forward to increasing collaboration with CBOs and encourage you to reach out to our staff with any questions.

Comment: “The Kansas Balance of State Continuum of Care implemented a coordinated entry process to connect persons experiencing homelessness to needed resources. The goal for the implementation of the coordinated entry system in the BoS CoC was to establish a BoS CoC wide approach to match individuals and families experiencing homelessness with services and housing to reduce the number of persons experiencing homelessness in the BoS CoC. A Coordinated Entry Committee was developed to oversee

the CES, develop policies and procedures for implementation of a BoS CoC wide system and to develop training and guidance document. Regional Coordinated Entry Teams were established in each of the BoS CoC regions. The Regional Coordinated Entry Teams review a Master list of clients that have been prioritized for their respective regions.”

- The CoC’s current Coordinated Entry process was established in 2021 not 2024. This includes the CoC-wide CES committee and all Regional CES Teams. While this process was established in 2021 the process is ongoing and was utilized during this Consolidated Plan’s timeline.

Response: The 2024 CAPER has been corrected to reflect the correct establishment date for the coordinated entry process.

Comment: “The prioritization of all people is based on a common assessment, the Vulnerability Index – Service Prioritization Decision Assistance Tool (VI-SPDAT). All regions of the Balance of State CoC utilize this tool for the Coordinated Entry assessment.”

- The Balance of State does not utilize the VI-SPAT. The Balance of State created an individual CES Assessment in 2023 to determine service prioritization.

Response: The 2024 CAPER has been corrected to use the correct name for the coordinated entry assessment used in the Kansas Balance of State Continuum of Care.

ESG Sage Report

3/6/25, 9:26 AM

Sage: Reports: Submission Overview: ESG: CAPER

Submission Overview: ESG: CAPER

Report: CAPER

1/7

Step 4: Grant Information**Emergency Shelter Rehab/Conversion**

Did you create additional shelter beds/units through an ESG-funded rehab project

No

Did you create additional shelter beds/units through an ESG-funded conversion project

No

Data Participation Information

Are there any funded projects, except HMIS or Admin, which are not listed on the Project Links and Uploads form? This includes projects in the HMIS and from VSP. No

Step 5: Project Outcomes*Project outcomes are required for all CAPERS where the program year start date is 1-1-2021 or later. This form replaces the narrative in CR-70 of the eCon Planning Suite.*

From the Action Plan that covered ESG for this reporting period copy and paste or retype the information in Question 5 on screen AP-90: "Describe performance standards for evaluating ESG."

Performance standards will be established and continue to evolve over the next few years as the ESG Interim Rule is implemented and as ESG program outcomes are determined through the evaluation of Homeless Management Information System (HMIS) data and through integration of ESG services into their local continuum of care. The program's focus has changed from addressing the needs of homeless people in emergency or transitional shelters to assisting people to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness.

The State requires subrecipients to establish written standards for their ESG programs and submit those standards along with policies to KHRC when applying for funds. KHRC establishes minimum standards acceptable for subrecipients for all programs, as well as specific standards for Street Outreach, Emergency Shelter, Homelessness Prevention, and Rapid Re-housing. A copy of those minimum standards are included in the unique appendices.

Based on the information from the Action Plan response previously provided to HUD:

1. Briefly describe how you met the performance standards identified in A-90 this program year. If they are not measurable as written type in N/A as the answer.

N/A

2. Briefly describe what you did not meet and why. If they are not measurable as written type in N/A as the answer.

N/A

OR

3. If your standards were not written as measurable, provide a sample of what you will change them to in the future? If they were measurable and you answered above type in N/A as the answer.

ESG ACTIVITY EXPECTED OUTCOME
 Shelter 75% of clients with more than 90 days in shelter exit to permanent destinations.
 Shelter 75% of clients with less than 90 days in shelter exit to destination other than the streets.
 Street Outreach 50% of clients will access housing (ES, TH, SH, PH or PSH)
 Street Outreach 75% of clients will access Essential Services
 Homeless Prevention 75% of clients will maintain Permanent Housing for six (6) months.
 Homeless Prevention 75% of clients will access permanent housing
 Rapid Re Housing 75% of clients will maintain Permanent Housing for six (6) months.
 Rapid Re Housing 75% of clients will access permanent housing

Step 6: Financial Information

ESG information from IDIS

As of 2/21/2025

Step 7: Sources of Match

	FY2024	FY2023	FY2022	FY2021	FY2020	FY2019	FY2018	FY2017	FY2016	FY2015
Total regular ESG plus COVID expenditures brought forward	\$290,360.34	\$1,229,390.79	\$61,972.39	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
Total ESG used for COVID brought forward	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
Total ESG used for regular expenses which requires a match	\$290,360.34	\$1,229,390.79	\$61,972.39	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
Match numbers from financial form	\$316,282.49	\$1,315,326.98	\$15,950.98	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00	\$0.00
Match Percentage	108.92%	106.99%	25.73%	0%	0%	0%	0%	0%	0%	0%

Match Source	FY2024	FY2023	FY2022	FY2021	FY2020	FY2019	FY2018	FY2017	FY2016	FY2015
Other Non-ESG HUD Funds		47,666.41								
Other Federal Funds	54,991.61	61,617.07								
State Government	55,746.00	56,500.00								
Local Government		46,082.13								
Private Funds		97,292.12								
Other	191,542.13	933,858.08	15,950.98							
Fees										
Program Income										
Total Cash Match	302,279.74	1,243,015.81	15,950.98	0.00	0.00	0.00	0.00	0.00	0.00	0.00
Non-Cash Match	14,002.75	72,311.17								
Total Match	316,282.49	1,315,326.98	15,950.98	0.00	0.00	0.00	0.00	0.00	0.00	0.00

Step 8: Program Income

Program income is the income received by the recipient or subrecipient directly generated by a grant supported activity. Program income is defined in 2 CFR §200.307. More information is also available in the ESG CAPER Guidebook in the resources tab above.

Did the recipient earn program income from any ESG project during the program year?

No

Part I: Financial Status

A. Sources of State CDBG Funds

1)	State Allocation	\$14,786,581.00
2)	Program Income	
3)	Program income receipted in IDIS	\$0.00
3 a)	Program income receipted from Section 108 Projects (for SI type)	\$0.00
4)	Adjustment to compute total program income	
5)	Total program income (sum of lines 3 and 4)	\$0.00
6)	Section 108 Loan Funds	
7)	Total State CDBG Resources (sum of lines 1,5 and 6)	\$14,786,581.00

B. State CDBG Resources by Use

8)	State Allocation	
9)	Obligated to recipients	\$14,242,983.57
10)	Adjustment to compute total obligated to recipients	\$1,550,147.43
11)	Total obligated to recipients (sum of lines 9 and 10)	\$15,793,131.00
12)	Set aside for State Administration	\$443,597.43
13)	Adjustment to compute total set aside for State Administration	\$100,000.00
14)	Total set aside for State Administration (sum of lines 12 and 13)	\$543,597.43
15)	Set aside for Technical Assistance	
16)	Adjustment to compute total set aside for Technical Assistance	
17)	Total set aside for Technical Assistance (sum of lines 15 and 16)	
18)	State funds set aside for State Administration match	
19)	Program Income	

20)	Returned to the state and redistributed	\$566,948.52
20 a)	Section 108 program income expended for the Section 108 repayment	
21)	Adjustment to compute total redistributed	
22)	Total redistributed (sum of lines 20 and 21)	\$566,948.52
23)	Returned to the state and not yet redistributed	-\$566,948.52
23 a)	Section 108 program income not yet disbursed	\$0.00
24)	Adjustment to compute total not yet redistributed	
25)	Total not yet redistributed (sum of lines 23 and 24)	-\$566,948.52
26)	Retained by recipients	\$0.00
27)	Adjustment to compute total retained	
28)	Total retained (sum of lines 26 and 27)	\$0.00
C. Expenditures of State CDBG Resources		
29)	Drawn for State Administration	\$1,936.73
30)	Adjustment to amount drawn for State Administration	
31)	Total drawn for State Administration	\$1,936.73
32)	Drawn for Technical Assistance	\$0.00
33)	Adjustment to amount drawn for Technical Assistance	
34)	Total drawn for Technical Assistance	\$0.00
35)	Drawn for Section 108 Repayments	\$0.00
36)	Adjustment to amount drawn for Section 108 Repayments	
37)	Total drawn for Section 108 Repayments	\$0.00
38)	Drawn for all other activities	\$14,036,626.54
39)	Adjustment to amount drawn for all other activities	
40)	Total drawn for all other activities	\$14,036,626.54
D. Compliance with Public Service (PS) Cap		
41)	Disbursed in IDIS for PS	\$90,221.60
42)	Adjustment to compute total disbursed for PS	
43)	Total disbursed for PS (sum of lines 41 and 42)	\$90,221.60
44)	Amount subject to PS cap	
45)	State Allocation (line 1)	\$14,786,581.00
46)	Program Income Received (line 5)	\$0.00
47)	Adjustment to compute total subject to PS cap	
48)	Total subject to PS cap (sum of lines 45-47)	\$14,786,581.00

49)	Percent of funds disbursed to date for PS (line 43 / line 48)	0.01%
E. Compliance with Planning and Administration (P/A) Cap		
50)	Disbursed in IDIS for P/A from all fund types - Combined	\$13,686.73
51)	Adjustment to compute total disbursed for P/A	
52)	Total disbursed for P/A (sum of lines 50 and 51)	\$13,686.73
53)	Amount subject to Combined Expenditure P/A cap	
54)	State Allocation (line 1)	\$14,786,581.00
55)	Program Income Received (line 5)	\$0.00
56)	Adjustment to compute total subject to P/A cap	
57)	Total subject to P/A cap (sum of lines 54-56)	\$14,786,581.00
58)	Percent of funds disbursed to date for P/A (line 52 / line 57) Combined Cap	0.09%
59)	Disbursed in IDIS for P/A from Annual Grant Only	\$0.00
60)	Amount subject the Annual Grant P/A cap	
61)	State Allocation	\$14,786,581.00
62)	Percent of funds disbursed to date for P/A (line 59 / line 61) Annual Grant Cap	0.00%

Part II: Compliance with Overall Low and Moderate Income Benefit

- 63) Period specified for benefit: grant years _____ — _____
- 64) Final PER for compliance with the overall benefit test: [_____]
