

Weatherization improves energy efficiency by helping homes retain heat in the winter and stay cool in the summer.

The Weatherization Assistance Program is available at **no cost** to income-eligible families.

SERVICES MAY INCLUDE:

- » SEALING AIR LEAKS AND DRAFTS
- » CAULKING AND WEATHERSTRIPPING DOORS AND WINDOWS
- » TESTING, CLEANING, AND REPAIRING HEATING AND COOLING SYSTEMS AND WATER HEATERS
- » INSULATING CEILINGS, WALLS, FLOORS, AND FOUNDATIONS
- » UPGRADING LIGHTING, FANS, AND REFRIGERATORS
